

### **Primary 3**

Science Journal

Science File

1. Diversity of Living and Non-living things
  - a. Activity Book
  - b. PSIP
  - c. Topical Worksheet
2. Classification of Living Things
  - a. Activity Book
  - b. PSIP (Plants, Animals, Fungi and Bacteria)
  - c. Topical Worksheet (3 sets - Plants, Animals, Fungi and Bacteria)
3. Diversity of Materials
  - a. Activity Book
  - b. Topical Worksheet
4. Life Cycle of Plants
  - a. Activity Book
  - b. Topical Worksheet
5. Life Cycle of Animals
  - a. Activity Book
  - b. Topical Worksheet
6. Properties of Magnets
  - a. Activity Book
  - b. Topical Worksheet
7. Making and Using Magnets
  - a. Activity Book
  - b. Topical Worksheet

## **Primary 4**

Science Journal

Science File

1. Plant System / Plant Transport System
  - a. Activity Book
  - b. PSIP (Plant Transport System)
  - c. Topical Worksheet (2 sets - Plant System & Plant Transport System)
2. Human Systems
  - a. Activity Book
  - b. PSIP
  - c. Topical Worksheet
3. Matter
  - a. Activity Book
  - b. PSIP
  - c. Topical Worksheet
4. Light
  - a. Activity Book
  - b. Topical Worksheet
5. Shadow
  - a. Activity Book
  - b. Topical Worksheet
6. Heat
  - a. Activity Book
  - b. Topical Worksheet
7. Effects of Heat
  - a. Activity Book
  - b. Topical Worksheet

## **Primary 5**

Science Journal

### Science File

1. Reproduction in Animals and Plants
  - a. Activity Book
  - b. PSIP
  - c. Topical Worksheet (2 sets)
2. Cycles in Water
  - a. Activity Book
  - b. PSIP
  - c. Topical Worksheet (2 sets)
3. Human Respiratory & Circulatory System
  - a. Activity Book
  - b. PSIP
  - c. Topical Worksheet (2 sets)
4. Photosynthesis
  - a. PSIP
  - b. Topical Worksheet
5. Electrical Systems
  - a. Activity Book
  - b. Topical Worksheet
6. Simple Series & Parallel Electric Circuits
  - a. Activity Book
  - b. Topical Worksheet

Note: Plant Transport System has been covered in P4. Activity Book pages 79 – 100 may be used for self-directed revision.

## **Primary 6**

Science Journal

### Science File

1. Energy Conversion
  - a. Activity Book
  - b. Topical Worksheet
2. Forces
  - a. Activity Book
  - b. Topical Worksheet
3. Interactions within the Environment (Living Together, Food Chain, Food Web)
  - a. Activity Book
  - b. Topical Worksheet
4. Surviving within the Environment (Adaptations and Man's Impact)
  - a. Activity Book
  - b. Topical Worksheet

Note: Photosynthesis has been covered in P5. Activity Book pages 1 – 26 may be used for self-directed revision.
